- This presentation represents our interpretation of current and proposed legislation and Inland Revenue practice as at the date of publication. These may change in future.
- Not all products/services are regulated by the Financial Services Authority.
- Past performance is not necessarily a guide to the future performance of any investment. The value of investments and the distributions declared may go down as well as up and cannot be guaranteed. The value of investments depends on the value of the underlying assets and can fall as well as rise. You may not get back the original amount invested. The sterling value of overseas assets may rise and fall as a result of exchange rate fluctuations. The value of any unit based investment is subject to fluctuation and may rise or fall in value.
- Kudos are Independent Financial Advisers, and can access products and financial services providers from the whole of the market place.
